The Wythe County Public Library is pleased to announce the availability of National Geographic Kids through www.FindItVA.org and through the Library's web site. National Geographic Kids provides reputable, authoritative, and appropriate content that brings children the world in a way they have never seen it before. National Geographic Kids features educational games, videos, and other activities, centered mostly on animals and the natural world. Fun and substantive, National Geographic Kids will take them on amazing adventures in science, nature, culture, archaeology, and space. The web site is geared for children between 6 and 14.

Some of the cool stuff on National Geographic Kids includes:

- National Geographic Kids magazine archives from 2009 to the present
- 200 National Geographic Kids books that entertain and teach, featuring National Geographic's award-winning photos and maps
- 500 child-friendly, downloadable images for educational purposes, perfect for classroom use and student assignments.

Examples include animals, geography, cultures, history, science, technology, and more!
