# About the Friends of the Library

The Friends of the Wythe County Library is a non-profit community organization dedicated to supporting the Wythe County Public Library. We accomplish this by promoting public involvement in the library and raising money through various activities, including our monthly book sales.

Some members support the Friends through paying annual dues, while others become more involved by volunteering their time. Money raised by the Friends goes directly back into the Wythe County Public Library.

Your help is needed as a volunteer, contributor, and supporter of library services. We welcome your enthusiasm and ideas!

## Why join the Friends?

- ⇒ Free gifts! New members receive a bumper sticker (individual membership) or a tote bag (family membership). With each renewal, the member's name is displayed on a sticker in the front of a library book.
- ⇒ First notice of book events, such as meeting authors and book discussion groups, and invitations to special library events
- ⇒ The fun of joining a group with similar interests
- ⇒ The satisfaction of knowing your membership enhanced library service to the Wythe County area

## When do the Friends meet?

Meetings are held at 6:30 p.m. on the fourth Thursday of the month in the library conference room.

The November and December meetings are combined into one meeting between the holidays.

## Where are the book sales?

The Friends hold a book sale on the first Friday and Saturday of each month in the book shop behind the library.

We also offer a limited selection of books, tote bags and bumper stickers for sale in the library during regular hours.

Donations of books, audiobooks and movies are appreciated and may be dropped off at the library desk.
