

DIRECTOR'S REPORT

Thomas D. Eggers, MLS

July 16, 2015

Summer Reading Program

Staff Education (ABLE/SABLE)

The staff have all been working on online coursework. These course (ABLE/SABLE) are maintained by the Idaho State Library and are basic library courses. Good review for the staff if they've already had such coursework.

Bar Codes:

In order to save some money, rather than buy bar codes i downloaded a freeware bar code printing program.

Computer Technician

A computer technician, Mr. Caudill, stopped by and talked with Ms. Ricketts-Jackson and me. He offered to assist us, especially when the new computers come in.
